## WRITES OF WASHINGTON.

To the Telegram.  
Mabton, Wash, April 3—I beg space in your columns to say a few words to my friends in West Virginia.  
As many friends requested me to write to them and as I have been a little slow about writing, I will try to say a few words in regard to my new country, or home rather. I have been in many States and now find as good a location as I have seen in many years. It is adapted to wheat growing and potatoes and fruits of all kinds do well here. I have located 11 miles south of Mabton, a little town of about 500 population on the railroad. It is as good a growing country as any part of West Virginia and one thing we are not bothered with is the dirt and soil rolling down in one's pockets and ears, while plowing. It is considerably level.  
Now, to any one wishing any more information or wanting to ask any questions about this country, I will be pleased to answer. Many people in West Virginia would do well to come here and take homes of their own instead of renting and clearing up for some one else.  
Address letters to G. W. Lyon, Mabton, Yakima county, Washington.

Sell to the highest and best bidder the following described property: Three certain lots or parcels of land situate in the James H. Mines addition to the town of Adamston, and known as lots Nos. 4, 5 and 6, as shown on a plat of said addition which plat is on record in the office of the clerk of the county court of Harrison County, West Virginia, in Deed Book 134, page 41, being the same lots or parcels of lands which were conveyed to the said Jesse W. Collins by James H. Mines by two certain deeds, one of which is on record in said office in Deed Book 134, page 285, and the other is of record in said office in Deed Book 129, page 38, to which deeds reference is here made for a more complete description of said property.  
Said property is located near the line of the Fairmont & Clarksburg Traction Company, and is very desirable for residence purposes. Any one desiring to purchase said property will be shown the same at any time by calling upon George C. Southern, at Adamston, West Virginia.
